The first draft will be due **Tuesday, February 25, 2003**

Please read

“Technology, Trauma, and the Wild” by Chellis Glendinning, excerpted from *Ecopsychology*, Edited by Roszak et al., Sierra Club Books, 1995. This article may be found in pdf format at http://www.aos.wisc.edu/education/index.html (click on homework #2)

and write a 3-4 page response paper, including the following components:

1) a title appropriate to your theme,

2) an opening paragraph which clearly outlines where you intend to go with your paper,

3) a brief description of the author’s main ideas,

4) whether you agree with the author (describing why or why not).
