

## Alumni Open House Friday, October 11, 2019

The AOS Alumni Engagement Board would like to invite department alumni to attend the 2<sup>nd</sup> Annual AOS *Open House*. Alumni are welcomed back to Madison during Homecoming to roam the halls, stop by a lecture, and attend some office hours to catch up with old friends. Unless otherwise listed, all events take place at the Atmospheric, Oceanic and Space Sciences Building - 1225 W. Dayton St.

If you can make it, **please email Pete Pokrandt** ([poker@aos.wisc.edu](mailto:poker@aos.wisc.edu)) so we have an idea how much coffee and pizza to plan for.
